

PARENT TEACHER STUDENT FELLOWSHIP

Parents are encouraged to volunteer in many areas in the school through the Parent-Teacher-Student Fellowship (PTSF). The School Board and the PTSF provide supplemental monetary support for faculty and students' school trips and extracurricular activities and faculty professional development and continuing education. PTSF has also funded classroom printers, an emergency notification system (AlertNow), and refurbished the elementary playground. PTSF has developed several fundraisers. These have helped minimize tuition increases and all families are encouraged to support these programs throughout the year.
